WILLIAM R. MARKS  
Mayor

HOLLY HOLLMAN  
Grant Coordinator/Communications Specialist

Update March 18, 2020

### Synopsis of COVID-19 protocols in the City of Athens

The City of Athens continues to coordinate with Limestone County EMA and the Limestone County Commission regarding the local Pandemic Standard Operating Guide. Based on information received from the local task force, the City of Athens has implemented several COVID-19 protocols in order to limit exposure risks for the public and employees.

#### **March 18 – Athens Utilities to close Customer Accounts lobby; suspend disconnects**

Athens Utilities is supporting state health officials on recommendations for social distancing as part of its COVID-19 protocols and ensuring the health and wellbeing of employees and customers by closing to the public its Customer Accounts lobby on Jefferson Street.

This will become effective Thursday, March 19, at noon.

In addition, Athens Mayor Ronnie Marks and Customer Accounts Manager Bill Vaughn have suspended the normal practice of disconnecting utility services for nonpayment. This is effective immediately and will continue through April 6. Customers will be responsible for the full bill amount accrued until payment is made.

Customers are urged to pay what they can on their bills between now and April 6 to help keep their balances low. Athens Utilities will re-evaluate the COVID-19 situation on April 6 to determine whether to extend this modified policy.

#### **March 17 – Met with local EMA Task Force**

Discussed needs and objectives. PPE is biggest need for Athens Fire and Athens Police.

#### **March 17 – Employees who deal with money told to wear gloves**

Mayor Marks issued gloves to Customer Accounts, Clerk's Office and Athens Police since they deal with money on a regular basis. He instructed department heads to have employees who handle money to wear gloves.

#### **March 17 – Downtown merchants allowed to mark a parking spot for curbside pickup**

Mayor Marks gave Athens Main Street permission to work with downtown merchants on allocating a few parking spots temporarily for curbside pickup.

#### **March 16 - Athens Fire limits public contact**

Athens Fire and Rescue Chief Bryan Thornton has suspended field trip visits to stations or by firefighters to sites; suspending car seat installations; and is limiting access to fire stations on an as needed basis only. Stations are taking extra precautions related to daily activities and making additional sanitation efforts.

#### **March 16 - Mayor signs Proclamation of Existence of A Local Emergency City of Athens**

Mayor Ronnie Marks signed the proclamation on March 16, 2020, at the request of Limestone County EMA Director Rita White. If federal funds become available, this will allow the City to request reimbursement for COVID-19 related expenses.

#### **March 16 - Athens Planning Commission's March 17 meeting to have remote access**

The regularly scheduled Athens Planning Commission meeting for Tuesday, March 17, will be held at Athens City Hall. The work session is at 5 p.m. and the regular meeting at 5:45 p.m.

On March 15, the Centers for Disease Control and Prevention recommended avoiding large gatherings since this can contribute to the spread of COVID-19 in the United States. As part of the City's efforts with its COVID-

19 protocols aimed to limit exposure, the Planning Commission meeting will be live streamed. The link will be on the City's homepage at [www.athensal.us](http://www.athensal.us) under "Athens News." Athens Mayor Ronnie Marks encourages citizens to utilize this option if possible.

Here are options for remote public input:

- During the meeting, Public Works Director James Rich will provide a phone number citizens can use to call in with comments or questions about an agenda item.
- Citizens can email Rich ahead of time with questions about agenda items that he can answer during the meeting. Send those to: [jrich@athensal.us](mailto:jrich@athensal.us)

### **March 16 - Athens-Limestone Recycling Center changes**

The Athens-Limestone Recycling Center is a not-for-profit service supported in part by the City of Athens and Limestone County. The center utilizes inmates from the State of Alabama to operate the facility, but due to state protocols related to COVID-19, inmates are not available. As of 2 p.m. on Friday, March 20, no recycling will be accepted at the center until further notice. The office will not accept visitors. The center is not accepting electronics at this time. City of Athens curbside customers can bring their recycling to the center until Friday at 2 p.m., but customers must sort their items. Customers who do not want to sort can put their items in the trash. Anyone dumping their recyclables unsorted this week or dropping off recyclables after 2 p.m. on Friday will be prosecuted. Cameras are on site.

### **March 14 - City facilities remain open (except for Recreation Center/Senior Center) but caution urged**

City facilities except for the Recreation Center and Senior Center remain open for their regular business hours. However, those who have a fever or have not been fever free for 48 hours, those who have been in contact with someone diagnosed with COVID-19 and those who have traveled in countries with a Level 3 Travel Health Notice are asked to contact City departments by phone or email. These are available on our website address at [www.athensal.us](http://www.athensal.us).

### **March 14 - Athens Senior Center closed to the public**

The Limestone County Commission has canceled senior citizen activities at senior centers throughout the county. The City of Athens has closed the Athens Senior Center to the public until at least April 3.

### **March 14 - City of Athens curbside recycling suspended**

Due to State of Alabama protocols regarding COVID-19, the City's recycling vendor in Decatur cannot get inmates, which the vendor relies on to help operate the facility. Curbside recycling is suspended until further notice. If you can store your recycling in your bins or additional containers, we will update citizens as soon as service can continue.

### **March 13 - City of Athens Municipal Court closed and Defensive Driving Course suspended**

Due to the recent Supreme Court Order, all in court proceedings with Athens Municipal Court have been suspended through April 16, 2020. Judge Don Mansell has elected to cancel the Defensive Driving Course scheduled during this time. All cases have been rescheduled as follows:

COURT/DDC DATE	RESCHEDULED DATE
March 16, 2020 Defensive Driving School	May 18, 2020 6 – 10pm
March 19, 2020 Trials 9am and/or 1pm *time of trial will remain the same as previously set	May 21, 2020
March 26, 2020	April 23, 2020 9am
April 2, 2020	April 30, 2020 9am
April 9, 2020	May 7, 2020 9am
April 16, 2020 Trials 9am and/or 1pm *time of trial will remain the same as previously set	June 18, 2020

If your address has changed since arrest or issuance of your citation or if you have any questions, please contact the Court Clerk's Office with your current information at 256-233-8733 or by email to [court@athensal.us](mailto:court@athensal.us).

**March 13 - Athens Police dispatch asking callers additional questions**

Callers who contact Athens Police Department requesting an officer come to their home or business will be asked additional questions, such as, "Do you have a fever or have you recently had a fever?" "Have you been outside the United States?" "Do you have flu-like symptoms?" This is so our officers can limit exposure risk.

**March 13 - City of Athens organized recreational activities suspended**

All organized recreational activities at the City of Athens are suspended until at least March 20, and the Recreation Center is closed to public use.

**March 13 - Athens Utilities promotes services available remotely**

Athens Utilities web address: [www.athens-utilities.com](http://www.athens-utilities.com)

Phone: 256-232-8750
